

Catalina Island Marine Science Camp

July 11th -16th 2010 or August 8th-13th 2010

**6 days-5 nights
For ages 13-18**

Interested in Marine Science? Come explore Catalina with a marine biologist for 6 days and learn to scuba dive*. Students will complete their NAUI open water/scuba diver certification. Previously certified or experienced divers can obtain advanced certification or choose from a list of diver specialty certifications.

***Students who do not wish to dive will have the opportunity to complete NAUI Skin Diving (snorkeling) and ocean ecologist certifications.**

Activities during the week will include:

**Kayaking
Snorkeling**

**Scuba Diving
Hiking (night and day)**

Students will learn:

**Marine Biology
Kelp Forest ecology
Species Identification (plants,
marine algae, fish, birds, marine
invertebrates)
Scientific field survey techniques**

**Island ecology and geology
Intertidal ecology
Basic ocean chemistry**

Cost: For diving students \$999

For snorkeling students \$825

Make checks payable to Ocean Gear

Mail Check to: 6192 Santa Rita Garden Grove, CA 92845
